## Hygiene concept

Due to the ongoing Corona pandemic, we are obliged by the German authorities to apply the following rules:

Access to the grounds is only allowed to visitors who have a **negative PoC-Test (Point of Care), which is not older than 48 hours**. This also applies to people who are fully vaccinated and/or recovered.

A test centre is located next to the venue. Please bring your identity card with you. Please note that you shouldn't eat, drink or smoke anything for 30 minutes before the spit test.

### Opening hours are:

Tuesday 31 August - Saturday 04 September / 08.00h -18.00h

Sunday 05 September / 08.00h - 15.00h

You must check in to the **LUCA App** when entering the grounds.

A medical mask must be worn when entering indoor areas (sanitary facilities, exhibition tents ...) and where the distance of 1.5 m cannot be maintained. Exception: on the seats in the tribune.

Disinfection facilities are distributed throughout the grounds - please use them. Also remember to keep the distance!
